EVENT PROTCOCOLS

The resumption of British Eventing
Affiliated events run with the
following restrictions and guidelines
until further notice.

Any person feeling unwell with
symptoms of Covid-19 must not
attend the event.

Key Principles:

The rule of 30, for all outdoor contact.

The rule of 6, for all indoor contact – (groups of 6 not 2 households).

Test and Trace – details of all support staff and connections required for Test and Trace.

The lead person (competitor) is responsible for ensuring information can be provided for their support staff and owners if required. [NHS QR Code will be available to scan at the venue, if you have the NHS Covid-19 App].

PPE – riders and support to bring their own PPE (face covering, gloves and hand sanitiser). Face covering to be worn when it is not possible to social distance.

Running behind closed door.

Those on site include; officials, stewards & volunteers, competitors, support team, owners of competing horses, authorised trade stands, authorised press, authorised services including medical, vets, horse ambulance, farriers and sponsors. All those on site to have with them PPE.

When walking the courses please do not touch fences or poles.

Dogs must always be on a short lead and under control.

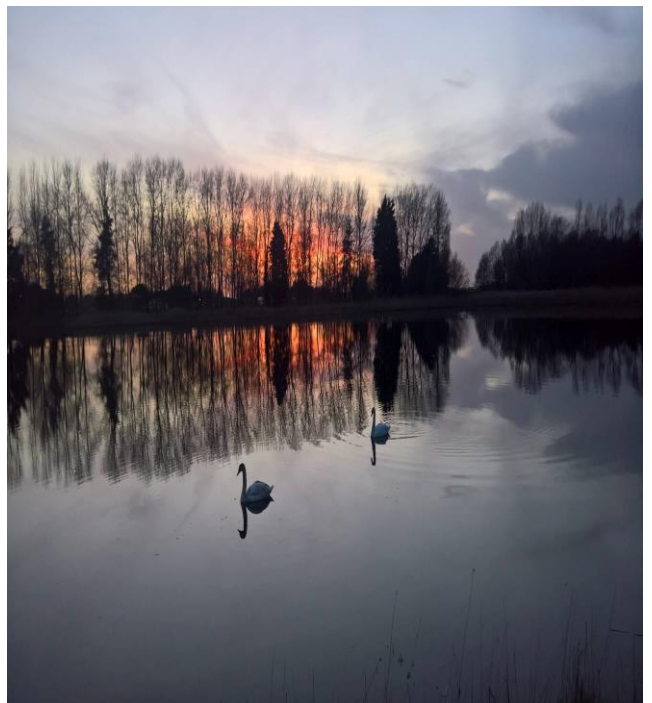

PRE-EVENT COVID-19 SPORTS PROTOCOLS
